

Hi multi-zonal workgroup - Notes May 14, 2013

We're rounding the bend to get finished up writing our plan for the learning event by Tuesday May 28th, our last Skype meeting (9:30pm Central Time). This is what we still have to do before then and the timeline we agreed to:

By Tuesday May 21, each small workgroup will email to the large workgroup their finalized part of the plan they are working on (and with any questions each group still needs input on):

- Programming (Daniel, Amanda, Misty, Bob)
- Resources and technology (Cindi and Barry)
- Hospitality (Mary and Pat)

Also by Tuesday May 21, we need to finalize the Purpose statement that Cindi started via email yesterday. Let's continue to add to the ideas others have contributed and finish via email with each other.

In between 5/21 and 5/28, answer any of the small workgroups' questions, look over each other's plan and make suggestions. On 5/28 Skype meeting we will finalize the entire plan as one document and tie up any loose ends.

If any of you haven't been on the Skype meetings, but would like to contribute input, please email or call us.

Derreck- I'm cc'ing you on this email, as a reminder that the Plains States and Southern Zones still have the workgroup going on to make a sample plan for a multi-zonal service learning weekend event. This is not to say we are going ahead with an event, but as a way to have something more tangible to give to regional members to figure out if they are interested in a multi-zonal service event and in what ways they would be willing to participate.

So if you or any of the MZF members want to join us on the last Skype call, have them email me or Barry before 5/28 and we will get them friended to Barry's Skype account. And our plan is to be done with the sample plan by the first weekend in June and email to you to forward on to the MZF members ahead of your June 8-9 meeting and put on your agenda to discuss. I don't think anyone from PSZF or SZF will be coming to Detroit this time, but someone from this workgroup could be available by phone if you have questions during your business meeting.

Thanks everyone for your work- together we do great things!!

Love and hugs,
Amanda
