Team established to help gather info from at least three (3) St. Louis hotels by next meeting. Contact will be made with experienced local member to help gather data.

Proposal date says deadline is September 1st. We will be extending the deadline. We will be asking Regions to respond immediately following their next RSC but preferably by October 1st. We know discussions still need to be held but we also need to move forward with hotel contract if proposal passes. Still waiting to find out several RSC's dates. Contact will be made again with these regions to get dates of possible responses.
