The Multi Zonal Service Symposium offers an opportunity for the exchange of experience, strength, and hope between members of NA service. This event, with its broad diversity of our fellowship, fosters the magic of service that happens when members gather from greater distances to share best practices in serving the suffering addict and fulfilling our primary purpose. Through NA zones working together in a spirit of unity and cooperation to support the groups in carrying our message of recovery, the symposium's purpose is to inspire and fuel in participants the joy of service by mentoring and learning collaboration.
