Approval of September Minutes: No objections; approved

Reports:

Facilitator: It has been a busy month for me. I did contact Cindi and found out about the Timeline spreadsheet. I didn't contact Mary B to have her work on the treasurer info on the timeline. I haven't had a chance to work on the facilitator timeline as well. Amanda created a save the date/open positions/theme flyer which I posted on Facebook. Thank you for allowing me to serve. Scott M, MZSS VI Facilitator

Co Facilitator: OPEN

Treasurer: We have \$4020.01 in account, income of \$20 but was a mistake and paid it back to Mary. Go Daddy paid to Barry B. 3905.53 ending balance

- Barry states he did not receive the money but will check the Zelle. Confirmed did not receive. Randi will re-check.

Facilities: Hey Family, Grateful to be back this month with you all, I was under the weather last month. I am not sure if this group has a timeline for everything that will be occurring up until the service symposium. If there is a timeline, I would love to have a copy of it. I want to ensure that I am fulfilling my duties and if anyone has any knowledge or experience with this position, I am willing to listen and learn. I have viewed the contract various times and am aware of the days prior to the symposium that certain information will need to be given to the hotel and caterer. When will it be feasible to enlist your approval on lunch/banquet ideas? I would appreciate your feedback on this. The cutoff date for our group rooms will be 8/30/26. After that date, any unreserved rooms in the group block will be released into general inventory. Reservations received after the cutoff date will be confirmed on a space-available basis at the Hotel's prevailing rates. Call in reservations can be made online at www.druryhotels.com then enter group # 10108195. Reservations may also be made by calling 1-800-325-0270 and referring to the group #. I am not certain what this group has done in the past with releasing the hotel reservation link to our NA community. I hope you can clue me in with this information as well. I had discussed with this group about the hospitality room set-up and where it was not easily accessible for handicapped. I feel we still could utilize this room for hospitality, and I had discussed with Kirsten utilizing another space for handicap purposes. I do not like the exclusion, but I am trying to ensure that everyone's needs are met. The Siedhoff Salon is the room that would be set aside for

hospitality purposes. Again, if there is any timeline or anything that I need to be working on prior to 2026, it seems so far out but I know it will be here before we know it. Please let me know. In Loving Service,
Angie B. – JAAAB Facilities Chair
